## 5 KEYS TO AN EFFECTIVE ANTI-CORRUPTION, ETHICS AND COMPLIANCE PROGRAM

Date: April 26, 2018 / 11:30 am to 1:30 pm

Location: Alt Hotel, 185 Slater St., Ottawa ON K1P 0C8

Speaker: Marc Y. Tassé, MBA, CPA, CA, FCPA (USA),  
CICA (USA), CFF (USA), CACM (USA)  
Anti-Corruption Ethics and Compliance Expert

CPE: 1.5

### Summary

This session outlines strategies for creating and maintaining a strong ethics and compliance program that will keep companies safe from corruption and associated risks. Although talented people with the best intentions design anti-corruption compliance procedures, they are up against audacious individuals who can be very creative at bypassing company rules.

### Abstract

A robust ethics and compliance program is much more than just policies and documentation. Ethics and compliance must be ingrained in the company culture and fostered throughout a company's processes and interactions.

### Learning Objectives

- Appraise the importance of training and follow-up
- Analyze the advantages of ISO 37001 certification and how to get it
- Assess how to instill ethics from the top of the organization
- Compare examples of what makes a compliance program effective
